Dear Jane

I was delighted to read the report of your OFSTED inspection which took place last month. It is wonderful to know that Costock school continues to educate all pupils to a good level in every area of their learning. Thank you for your diligent leadership of the school and for your commitment to monitoring teaching standards. It is clear that both pupil progress and teacher performance have improved as a result. Be affirmed by this positive report.

It is reassuring to learn that, as a Church of England school, you have an inclusive ethos which fosters a spirit of collaboration amongst children. In particular, I note the strength of the mixed age classes and the way in which older students readily assist and support their younger classmates. Equally encouraging are the planned opportunities for social, moral, spiritual and cultural development within the curriculum.

Please pass on my congratulations to the pupils, staff and governors for their contributions to making Costock a happy school with high standards.

God bless
