### PE & Sport Premium funding spending and impact academic year 2018-19

The PE and sport premium is an element of school funding designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. It must be used for this purpose but as a school we are free to choose the best way of using this money. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

In 2018/19 our PE & Sport Premium funding was £16,770, and below is a summary of the way we used this funding to improve the quality of our PE provision and related sports activities.

The PE & Sports Premium grant was used to fund the following:

What funding was spent on	Impact of funding	% of funding allocated
Provision of additional activities before school, at lunch time and after school	<ul style="list-style-type: none"><li>• Greater number of pupils engaging and trying out a variety of different activities.</li><li>• Many pupils generally more active during all times of day outside of lessons.</li><li>• Pupils actively encouraging peers to join in.</li></ul>	13%
