## Pupil Premium Funding 2018-19

The Pupil Premium is an element of school funding aimed at narrowing the gap in attainment between certain disadvantaged groups of pupils and those who are more well off. In 2017-18 the pupil premium is allocated to all schools on the following basis: £1320 for each pupil eligible for free school meals, £300 for children of families in the armed services and £2300 for any Looked After Children.

The funding is provided to schools who then decide how best to spend this as they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

In 2018/19 our school budget includes a total of £14,180 (circa 2.9% of our overall revenue budget), and below is a summary of the way we intend to use this funding to support our pupils' learning and development. (Note; information related to individual pupils remains confidential).

The Pupil Premium funding will be used to pay for the following:

- Targeted intervention work with Teaching Assistant working with individual pupils and groups of pupils.
  - Contribution towards school/residential visits for eligible pupils.
  - Educational resources to support programmes of work with individuals and small groups
  - Contribution towards extra-curricular clubs
  - Contribution towards breakfast club attendance
  - Staff training in specialised areas of support
  - Payment to extra-curricular clubs and activities
  - Provide 1-1 targeted support/intervention to address underachievement
  - Social skill groups for pupils with emotional and social needs
- 
- The impact of this spending will be reported at the end of the 2018/19 academic year.
